

Power to the People

Reclaiming control of electricity in Victoria

Wednesday 3rd September
6.30pm drinks for 7.00pm start
Brunswick Town Hall, Sydney Rd, Brunswick

Together we can make a difference.

Come along and hear the experts - and be part of the change to a better, fairer, sustainable energy solution.

Speakers include:

Professor Ross Garnaut (Economist and climate change expert)

- Climate changing times ahead

Dr. Kate Auty (University of Melb)

- Where is government leadership?

Sam McLean (National Director, GetUp)

- Empowering consumers through the 'Better Power' campaign

Paul Murfitt (Moreland Energy Foundation Limited)

- Community climate action planning for 2020

Claire Maries (Consumer Action Law Centre)

- How consumer voices can be heard

Ramon Collodetti (Merri Creek Residents Group)

- Gold-plating the grid: a local case study

There will be time available for audience Q & A with speakers
