

SOS eUpdate November 2015  
- Annual General Meeting FY 14/15

Hi SOS Members!

***Just a reminder about the SOS AGM this Sunday, featuring entertaining guest speaker Dr Greg Moore speaking about "Suburban Trees and Urban Sustainability"***  
**Sunday November 15th (AGM 2.30-3pm; Dr Moore 3-4pm)**  
**Activities Room, Library at the Dock (Gr.Flr),**  
**107 Victoria Harbour Promenade, Docklands (cnr Collins & Bourke Sts)**

Dr Moore was Principal of Burnley College at Melbourne University from 1988 to 2007. He is on the Boards of Greening Australia (Vic) and Sustainable Gardening Australia. Since 2004 he has chaired TreeNet, an independent organisation seeking to improve the urban forest.

His papers & articles include:

"For a great return on investment, try trees"; The Conversation, 30.1.12

"Tree Management for Carbon, Energy and Drought Efficiency";

"Climate Change, Healthy Gardens and Healthy People";

"Urban Trees – Worth More Than They Cost" (compares economic benefits of trees in Balwyn & Richmond)

**FOR A COMPLETE LIST OF PUBLICATIONS BY DR MOORE, AND OTHER REFERENCES ON THE HEALTH AND ECONOMIC VALUE OF TREES AND OPEN SPACE, SEE:**
